Home Detention is a program of confinement and supervision that restricts a defendant to a preapproved residence continuously, except for authorized absences, and is enforced by appropriate means of surveillance and electronic monitoring by the Vermont Department of Corrections (DOC), as defined by statute. This form of supervision is designed for detainees who have traditionally remained incarcerated for lack of bail. This status provides the DOC and the Court an alternative way to address this population in the least restrictive environment, while considering public safety.

_____ The following procedures apply to all cases that require continuous monitoring:

- _____
- _____
 - _____
 - _____
 - _____
 - _____
